PER CURIAM:

Bobby Hazel, a federal inmate, appeals the district court's orders and judgment adopting the magistrate judge's recommendations and dismissing his 28 U.S.C. § 2241 (2006) habeas corpus petition and denying his motion for reconsideration. We have reviewed the record and the district court's opinion and affirm for the reasons cited by the district court. See Hazel v. Cross, No. 1:09-cv-00004-IMK (N.D.W. Va. July 2, 2009; July 20, 2009). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
